

PROBIOTICS

From Bench to Community

7th - 8th March 2015, The Grand, New Delhi, India

SCIENTIFIC PROGRAMME

SATURDAY, MARCH 7, 2015

12:00-13:00

Lunch

13:00-14:30

INAUGURATION

13:00-13:20

WELCOME ADDRESS

Prof. N.K. Ganguly

(Professor of Eminence ,Policy Centre for Biomedical Research, THSTI, Gurgaon, India)

13:20-13:40

OPENING REMARKS

Prof. G. Balakrish Nair

(National Chair, Rajiv Gandhi Centre for Biotechnology Trivandrum, India)

13:40-14:10

INAUGURAL ADDRESS

Prof. Anil K. Tyagi

(Vice-Chancellor, Guru Gobind Singh Indraprastha University, New Delhi, India)

14:10-14:20

BOOK RELEASE & LAUNCH OF WEBSITE

14:20-14:30

GROUP PHOTOGRAPH

14:30-15:00

PLENARY LECTURE 1

Chairperson

Dr. Pawan Malhotra

(Head – Mammalian Biology: Malaria, International Centre for Genetic Engineering and Biotechnology, New Delhi , India)

Bile Acid as a Host Factor to Control Gut Microbiota Composition and Disease Development

Prof. Atsushi Yokota

(Professor and Vice Dean and University Senator, Hokkaido University, Hokkaido, Japan)

15:00-16:00

SESSION 1 – GUT, ITS MICROBES – IMPLICATIONS FOR HEALTH

Chairperson

Prof. Shinjini Bhatnagar

(Dean Clinical Research, Translational Health Science and Technology Institute, Gurgaon, India)

15:00-15:30

Keynote Lecture 1- Intestinal Microbiota during Life

Prof. Patricia Conway

(Associate Professor, Microbiology, University of New South Wales, Australia)

15:30-15:50

Undernourished Children and the Gut Microbiome

Prof. G. Balakrish Nair

(National Chair, Rajiv Gandhi Centre for Biotechnology, Trivandrum, India)

15:50-16:00

Discussions

16:00-16:15

Tea / Coffee break

16:15-16:45

PLENARY LECTURE 2

Chairperson

Dr. Randhir Sud

(Chairman, Medanta Institute of Digestive & Hepatobiliary Sciences, Medanta - The Medicity, Gurgaon, India)

Probiotics and Mucosal Immunity Interactions in Early Life

Prof. Bruno Pot

(Research Director, Center for Infection and Immunity of Lille (CILL), INSERM, Institut Pasteur de Lille (IPL), France)

16:45-17:45

SESSION II – GUT MICROBIOTA AND PROBIOTICS – THE LINK

Chairperson

Prof. G.P. Talwar

(Director Research, The Talwar Research Foundation, New Delhi, India)

16:45-17: 15

Keynote Lecture 2- Probiotics and Vaccines

Prof. N.K. Ganguly

(Professor of Eminence, Policy Centre for Biomedical Research, THSTI, Gurgaon, India)

17:15-17:35

Probiotics Impact on Human Intestinal Microbiota

Dr Muriel Derrien

(Senior Research Scientist, Danone Research, Palaiseau, France)

17:35-17:45

Discussions

19:00 onwards

Cocktails and Dinner

SUNDAY, MARCH 8, 2015

07:00-09:00

POSTER EVALUATION BY INTERNATIONAL JURY MEMBERS

**Prof. Atsushi Yokota, Prof. Yuan Kun Lee, Prof. Bruno Pot,
Prof. B.S. Ramakrishna, Prof. N.K Ganguly, Prof. N.K. Mehra**

09:00-09:30

PLENARY LECTURE 3

Chairperson

Prof. S. K Mittal

(Chairman, Department of Pediatrics, Pushpanjali Crosslay Hospital, Ghaziabad, India)

Probiotics for the Developing World

Prof. Yuan Kun Lee

Head, Yong Loo Lin School of Medicine Life Science Curriculum, National University of Singapore, Singapore and President, International Union for Microbiology Societies (IUMS) .

09:30-10:30

SESSION III – REACHING ACROSS COMMUNITY

Chairperson

Dr. V. K Batish

(Emeritus Scientist, National Dairy Research Institute, Karnal, India)

09:30-10:00

Keynote Lecture 3-Probiotics in Dairy Industry

Prof. A. K Srivastava

(Director and Vice- Chancellor, National Dairy Research Institute, Karnal, India)

10:00- 10:20

Probiotics in Geriatric Population

Prof. J.B. Prajapati

(Professor and Head, Dairy Microbiology Division, Anand Agricultural University, Anand, Gujarat, India)

10:20-10:30

Discussions

10:30-10:45

Tea / Coffee break

10:45-11:15

Keynote Lecture 4

Chairperson

Dr. Navin Dang

(Director, Dr. Dangs Lab Pvt. Ltd., New Delhi, India)

New Aspects of Probiotics: A Good Supporter for Assisting the Symbiosis

Prof. Masanobu Nanno

(Executive Officer, Deputy Director of Institute, Yakult Central Institute, Tokyo, Japan)

11:15-12:15

SESSION IV – FROM RESEARCH TO CLINICAL PRACTICE

Chairperson

Prof. Keya Lahiri

(Professor & Head, Dept. of Pediatrics, Padmashree Dr. DY Patil College Hospital and Research Centre, Mumbai, India)

11:15-11:35

Probiotics and Antibiotic- Associated Diarrhoea

Dr. Ajay Bhalla

(Additional Director & HOD- Gastroenterology, Fortis Hospital, Noida, India)

11:35-11:55

Probiotics in Inflammatory Bowel Disorder(IBD)

Dr. Neelam Mohan

(Director, Department of Pediatric Gastroenterology, Hepatology and Transplantation, Medanta - The Medicity, Gurgaon, India)

11:55-12:15

Probiotics for Preterm Neonates and Prevention of Necrotizing Enterocolitis

Dr. Sourabh Dutta

(Additional Professor, Division of Neonatology, Department of Pediatrics, Post Graduate Institute of Medical Sciences, Chandigarh, India)

12:15-13:00

PANEL DISCUSSION

Panel Moderator

Dr. Sarath Gopalan

(Senior Consultant Pediatric Gastroenterologist, Indraprastha Apollo Hospital, New Delhi and Executive Director, CRNSS, New Delhi, India)

Panelists

Prof. Atsushi Yokota, Prof. Bruno Pot, Dr. Dinesh Banur, Ms. Ishi Khosla, Prof. Jyoti Tamang, Prof. Yuan Kun Lee, Prof. Rama Chaudhry, Dr. Sandeep Bhargava

13:00-13:15

Young Investigator Awards

13:15-13:30

Vote of thanks - Dr. Keya Lahiri

13:30 onwards

Lunch
